

G: Game Night Groups

Problem author: Arnoud van der Leer

- **Problem:** Print $4\sqrt{n}$ with sufficiently many digits.

G: Game Night Groups

Problem author: Arnoud van der Leer

- **Problem:** Print $4\sqrt{n}$ with sufficiently many digits.
- Naive solution: do something stupid. $\mathcal{O}(2^n)$ is too slow!

G: Game Night Groups

Problem author: Arnoud van der Leer

- **Problem:** Print $4\sqrt{n}$ with sufficiently many digits.
- Naive solution: do something stupid. $\mathcal{O}(2^n)$ is too slow!
- Instead, just compute the answer. $\mathcal{O}(1)$.
